Tournament History

Since 1992, Hensley/Anheuser-Busch has hosted the Budweiser Shootout Golf Tournament with the sole purpose of raising scholarship money for Hispanics striving to complete their college education. This year the 16th Annual Budweiser Shootout is supporting two quality organizations: ASU's Hispanic Business Alumni (HBA) and the national Hispanic Scholarship Fund (HSF).

Your financial support of the Budweiser Shootout has a significant impact on the ability of these two organizations to help students. In fact, for the 2007-2008 academic year, HBA awarded 21 scholarships valued at over \$130,000.00. With your financial support, the national Hispanic Scholarship Fund was able to provide \$26.2 million in scholarships for the 2006-2007 academic year.

We are hopeful that your organization will continue to partner with Hensley/Anheuser-Busch in supporting the education of deserving Hispanic youth.
